

La edad antigua

During the month of August, the Mi Casita students will hop into a time machine and travel to ancient worlds. They will explore Ancient Egypt, China, Greece, Rome and Aztec and Mayan civilizations. The students will become archaeologists and search for artifacts that give clues to how the ancient people lived.

Pregunta

How can we, as archeologists, create a city from ancient times?

¿Cómo podemos nosotros, arqueólogos, crear una ciudad de la Edad Antigua?

Objetivos

- Talk about pictures using new vocabulary words or phrases
- Practice use of standard measurement tools
- Perform basic tasks using equipment and tools
- Use a simple map
- Use available materials (e.g., blocks) to represent buildings, roads, or houses
- Include representations of roads, bodies of water, and buildings in play
- Discuss tools used to locate places
- Use directionality, size, and position (e.g., left, right, first, last, little, big, top, bottom) to describe location
- Describe simple characteristics of business or community structures
- Demonstrate an understanding of past, present, and future

Vocabulario

Ancient times: antigüedad
