

¡Inventar una máquina!

During the month of July, the Mi Casita students will become mini inventors and create a machine to keep us cool in the summer. As it gets hotter outside, they will be spending a lot of time outdoors splashing around in the water park. The students will investigate methods of keeping cool using water, ice, towels, fans and even ice cream! We look forward to seeing the students' creations. Maybe we will even produce our very own version of Mi Casita Shark Tank!

Pregunta

Invent a machine to keep us cool during the summer.

Inventar una máquina para mantenernos frescos durante el verano.

Objetivos

- Observe differences in water (ice cubes melting)
- Identify bodies of water (rivers, lakes, streams, creeks, puddles)
- Recognize basic energy types and sources (light from the sun, wind, water)
- Describe observations of basic energy types and sources
- Identify ways water can be used (drinking, washing, watering plants, putting out fires, boating, and fishing)
- Use a thermometer as a tool for measuring temperature
- Use trial and error to figure out how to make things work
- Discuss how we protect our bodies in different seasons (use sunscreen in summer, wear warm clothing in winter)
- Understand that natural resources are materials that come from the environment and are used by people

Vocabulario

SUSANTIVOS

Water: agua
Wave: ola
Fan: ventilador
Wind: viento
Water balloon: globo de agua
Ice: hielo
Ice cream: helado
Sprinkler: aspersor
Hose: manguera
Splash: chapotea
Water drop: gota de agua
Puddle: charco
Rain: lluvia
Beach: playa
Pool: piscina
Breeze: brisa
Towel: toalla
Fan: abanico

Storm: tormenta
Scorcher: bochorno
Sunglasses: Gafas del sol
Cap: gorra
Temperature: temperatura
Beach umbrella: sombrilla

AJECTIVOS

Wet: mojado
Dry: seco
Hot: caliente
Cold: frío
Fresh: fresco
Refreshing: refrescante

VERBOS

To sweat: sudar
To spray: rociar
To be hot: tener calor
To splash: salpicar
To wet: mojar

To soak: remojar
To cool down: enfriarse
To invent: inventar
To build: construir
To freeze: congelar
To melt: derretir
To have fun: divertirse
To evaporate: evaporar
To drip: gotear
To swim: nadar
To blow: soplar

PREGUNTAS

What is the weather like?:
¿Qué tiempo hace?
Is it hot outside?:
¿Hace calor?
