

¡Creamos un museo!

Living in the city of Philadelphia, we are surrounded by opportunities to explore and appreciate the arts. Museums allow us to learn about the past, experience new artistic designs, and simply have fun! During the month of March, we will investigate the various types of museums and decide how to create our very own museum here at Mi Casita. Please plan on attending our Mi Casita Museo opening day on Saturday, April 1 at 10:30-12:00. We will also celebrate Mi Casita's 2nd Birthday the same day!

Pregunta

Crea un museo en Mi Casita.

Curate a Museum at Mi Casita.

Objetivos

- Experiment with materials: chalk, paint, crayons, pencils, markers, wood, play-doh
- Use line, shape, form, color, texture, design and patterns
- Manipulate materials in a variety of ways: pounding, squeezing, cutting, rolling
- Create props from available materials either realistic or symbolic
- Use a growing number of details to make a more realistic representation
- Discuss meaning and answer questions about works of art
- Investigate how instruments or art forms represent a culture
- Observe and comment on the artwork of others
- Look at books, pictures and authentic items to gather information
- Investigate new materials and displays
- Describe discoveries during exploration
- Uses scientific inquiry skills
- Demonstrates knowledge of physical properties of objects
- Show understanding about how people lived in the past
