

¡Competición!

Competition provides motivation to achieve a goal. It also leads to the development of teamwork, which is an essential skill for students to acquire. During the month of May, the Mi Casita students will become mini athletes, competitors, and teammates. They will work together to win, but will also learn that competition is about having fun and not always about winning. We hope all families will be able to join us for our annual Field Day on Thursday, June 1 at 5:00-6:00 PM.
